

Panther Football Team Volunteers – We Need You!

Be a Member of the Team Behind our Panther Football Team!

Fundraising Committee - We currently have activities in place to sell ads for the game program and gain sponsorships, but we need more!!! We are looking for a committee to develop ideas and coordinate fundraising events and efforts, i.e., Garage Sale at the Pawvillion, other?

Game Day Concession Sales Committee – At both the Varsity and Junior Varsity games, we plan to raise funds through working concession at the home games and through sale of our season programs. If you attend the games, this is an easy way to volunteer your time. If you are a Varsity parent, you may want to help at the JV games or if you are a JV parent you may want to help at the Varsity games. Either way, we need your help. The more we sell, the closer we come to our fundraising goal.

Corporate Sponsors/Program Ad Sales Committee - The PTC has a list of sponsorship and advertising options for businesses, sponsors and donors which can be found on the Player Registration Form . . . and on our website. To date, these areas are our major fundraising activities. Even though we ask each player/family to help with this fundraising activity, we need volunteers that can specifically make a concerted effort to solicit these sponsorships and sell ads.

Team Purchase Committee – Purchases are needed throughout the season for the weekly pre-game meals and periodically for the concession sales. For example, either bananas or oranges are needed for the weekly games. Hot dogs, buns, condiments, chips, soda, water and candy will be needed for the Varsity Game Concessions and JV Palmetto Home Game sales. When purchased in bulk at Costco through school membership, we can save.

Pre-Game Meal Committee – Prior to all Varsity and one JV game each year, the PTC sponsors and serves the players a pre-game meal. Tables are set up in the cafeteria and we serve food donated or purchased from local restaurants. This activity occurs on game days toward the end of the school day around 3 p.m. Volunteers would need to be at the school from about 2 p.m. to 4 p.m. and/or to pick up and deliver donated meals.

Desserts for Pre-Game Meals Committee – If you are unavailable to serve at pre-game meals, you may want to volunteer to provide a dessert or pick-up and deliver donated desserts. We usually serve approximately 80 at the meals so usually ask for two donations of 80 cookies each for each pre-game meal.

PTC Sponsorship Development Committee – The PTC would like to see the existing Sponsorship Levels evaluated and developed to encourage sponsorship. Past examples of sponsorships are available for use as a guide, i.e., Panther Game Day Banner listing sponsors.

Program and Web Communications Committee – Our existing Program Coordinator and Web Master Pam Regula welcomes assistance with the creation of ads and with assembly of the program next year for printing and with the maintenance and development of our existing website. If you have a creative side you'd like to share on behalf of the team, we welcome you!

Tail Gate Rallies and PTC Social Committee – Everything takes time and effort including “Getties” where you get together for fun and in this case in support of our sons’ team. Volunteers are needed to coordinate our Tail Gate Rallies and our plans to dine out together at restaurants that provide pre-game meals to our sons and/or support our team in other ways, i.e., Chili’s “Give Back Nights” promotions where 10% of total dinner costs by Panther diners on a particular night are given back to help fund team needs.

PTC Board Membership – Let us know if you are interested in serving on the 2010-11 Panther Touchdown Club Board whose primary role is providing support to MPSHS Panther Football.
